Notice of Allowability

The following are the Examiner's reasons for allowance.

None of the prior art of record remedies the deficiencies found in Henson and Primier Pages.

Furthermore, neither the prior art, the nature of the problem, nor knowledge of a person having ordinary skill in the art, provide any reasonable rationale to combine prior art teachings to disclose, inter alia, as in representative claim 96:

...presenting an interface to define plurality of virtual bundles...that enables the authorized user to indicate whether products in a defined virtual bundle can be configured by a purchaser.
